

# EMERGING TRENDS 2005

The fallout of a workshop with Chris Sanderson of Future Laboratories in London – ELLE DECOR now pictorially interprets their vision of the future. Check out the five forecasts...Do you identify with the nu-lux set?

## **01 COLOUR MISMATCHING**

Break the rules of the colour chart – mix subdued hues with bright funk. Anything goes. Experiment with the palette

## **02 URBAN NATURE**

Demolish the conventional, commercial considerations for space utilisation. "Waste" it and invite natural surroundings into the urban jungle

## **03 RE-ENLIGHTENMENT**

Rediscover old, traditional styles and interpret them in a magical, contemporary way

## **04 TRANSPARENCY**

Be a flasher! From buildings and packaging to furniture and accessories...so that you can get a light see-through feel

## **05 MASSTIGE**

The essence of nu-lux. Prestigious, luxury brands create quality products for mass consumption

*Mukul Goyal revives the traditional Dokra technique and interprets it through contemporary eyes*

## RE-ENLIGHTENMENT
